|---|---|---|---|
| Laughing is good for your body and your mind. It gives your body more oxygen! More oxygen helps us to feel calmer and be healthier. | Laughter helps us to relax. It makes our mood better and lessens some of our aches, pains and worries. | Keep laughing. Read joke and hilarious story books. Watch funny shows. But, never laugh at things that hurt another person. | Listen to the author, B.J. Novak read some of *The Book with No Pictures* or read *the entire book* with all of the silly words. |
